## ASFOUR Crystal

### ► About Us

Asfour Crystal is a globally recognized name that is synonymous with unique quality and decades of dedication. Once voiced, the words Asfour Crystal bring to mind images of precision cuts, unmatched clarity and luminous, colourful sparkle. With more than 50 years of experience in the field of crystal manufacturing, it's easy to see why.

Since its establishment in 1961, Asfour Crystal has had deep-rooted dedication to quality that goes hand-in-hand with innovation. Through the years, the company has grown from a humble 2,200 square meter workspace with 200 craftsman and simple, basic production tools to being today's largest manufacturer

and exporter of crystal across the four corners of the globe.

Such a worldwide reputation is one that we treasure and work persistently on maintaining. Asfour Crystal prides itself at having a production capacity that exceeds 100 tons of crystal per day, providing the world with the finest quality of transparent and coloured crystals that are guaranteed to shine forever. Asfour Crystal is the field's leading international manufacturer of the present time.

Based on a build-up area of more than 1.2 million square meters and employing more than 28,000 carefully selected employees

and highly talented craftsmen and women, Asfour Crystal holds the true treasures of the trade within the walls of its factory. Asfour's highly skilled workers and artists use the most sophisticated tools and techniques in the field to create the world's brightest, purest crystals for countless applications and uses.

It is noteworthy and of utmost pride for us that most of the tools and machinery used in our factories have been designed, developed and manufactured by Asfour Crystal for Asfour Crystal. Simply put, Asfour Crystal is a legacy of luxurious crystal that enlightens the globe.

**Asfour Crystal** has devoted itself to being a benchmark of quality it took us feary of dedication, passion and eye for perfection to craft a unique path of Mastery

## Asfour Products

### ► Crystal Fashion Components

Fashion is a word that has long ago broken the boundaries of apparel and accessories. Today, fashion is part of every single aspect of life; it is a method of self expression, a statement made by individuals and entities that is communicated visually and understood with no need for words. Asfour Crystal Fashion Components encompass a plethora of precisely-cut crystal stones in colours, shapes, sizes and applications that are simply dazzling. The uses of these crystals are yet to be counted as they are always open for different interpretations and are highly customizable to suit different needs.

### ► Crystal Parts

Asfour Crystal is the world's most prominent manufacturer and exporter of the highest-quality crystal across the globe. Every single crystal part made by Asfour Crystal is a piece of art that will stand the test of time and be passed on for many generations to come. The luminosity provided by Asfour Crystal parts radiates its vicinity with a spectrum of colours that can only be outranked by a true diamond of the finest cut. These parts are available in a large variety of shapes, cuts and sizes that suit a wide spectrum of requirements and tastes.

### ► Lighting Collection

Crystal is best known around the world for its use in lighting fixtures and chandeliers. This is an art and a tradition that has lightened lives for centuries, and that has long ago been mastered by Asfour Crystal. A crystal lighting piece adds instant luxury to any space; big or small, residential or commercial. It enriches the settings in which it is placed

and gives it a sense of splendour and grandeur. Asfour Crystal brings forth some of the world's most recognizable chandeliers, as well as a wide collection of lighting pieces that are difficult to find elsewhere.

### ► Gifts

Crystal gifts, decorative items and figurines are among the many applications of crystal usage that Asfour Crystal transcended in. Bringing forth the most innovative designs and the most creative concepts the world has to offer, Asfour Crystal gifts are simply the gifts of choice. The diversity of crystal gifts made by Asfour Crystal suits occasions and premises of every kind. They can be as small as luminous droplets of light or as large an accommodating laser engraving that marks a special achievement or occasion. Asfour Crystal also provides jewellery of the most divine taste and of the finest quality ever seen.

### ► Crys-Tile

Asfour Crystal recently introduced to the world its newest and most remarkable innovation yet; Crys-Tile. Tiles embedded with the best quality crystal pieces on the globe, Crys-Tile is nothing short of a breakthrough in decorative luxury.

The crystals that are embedded in each piece of Crys-Tile are tightly sealed to ensure an eternal spark that instantly lights up the surface. These masterpieces of art bring a brand new yet timeless luxury to any space. The textures, the colours, the designs and the shapes vary greatly and can be applied on floors, walls and furniture pieces in residential or commercial spaces.

A large, multi-faceted crystal sphere, resembling a giant diamond, floats in the air. It is illuminated from within, casting a warm glow. The background is a desert landscape with mountains under a starry night sky with a purple and blue aurora-like light display.

## Enjoy the everlasting shine of ASFOUR Crystal.

- ASFOUR Crystal shines forever unlike most of the other types of Crystal, In order to protect its Glamour and everlasting shine keep its surface clean.
- Asfour Crystal Parts are easy to be cleaned, to clean Asfour Crystals use fresh water (preferably Spray) and use a soft, slightly damp, Lint-Free cloth piece.
- In case of hard stains use warm water with small amount of cleaning detergent
- Household cleaners, aerosol sprays, solvents, ammonia, or abrasives don't affect Asfour Crystals but it may affect the chandelier body.
- We are applying the highest quality standards in finishing and polishing processes.

## Non Asfour Crystal product..

- Products made of Glass loses its Glamour and beauty after short period due to effect of weather conditions and bulbs heat.

- ASFOUR Crystal Shines Forever.
- Life Time Gurantee on Quality and Clarity.

- ASFOUR Crystal is characterized by its high refractive index; which results in better light dispersion , producing homogeneous rainbows and very rich reflections.

How to be sure that this is Asfour crystal?
